Excerpt from Journal

Office of the Legislative Counsel

Tuesday - 30 April 1963

STAT Per previous arrangements, [redacted] and John S. Warner
met with Jim Kendall and General Shaw of the Senate Preparedness
Investigating Subcommittee staff. Also present from the Pentagon
STAT were [redacted] of DIA. We went through the
marked up draft report page by page. There were no real difficulties
in connection with any of the CIA points; however, there were problems
in connection with some of the deletions desired by the Pentagon
relating to operational planning. Kendall indicated he might take these
points up with Senator Stennis. In any event, the report will be revised
further in accordance with our views and prior to any release will be
STAT forwarded again to DOD and CIA.

JOHN S. WARNER
